Whether you're new to Tasmania or returning home, Connect can help you find your feet, create supportive and influential local networks, and navigate your way to business and personal success.

Don't miss out — this unique one-day experience is available for one day only: 18 September 2025.

Why Connect?

Relocating can be both costly and stressful, and you want your move to Tasmania to be a success – for yourself, your family, and your organisation. We are here to help you thrive and feel a true sense of belonging.

Connect is designed to support you – whether you're starting fresh, trading big-city life for a better lifestyle, relocating for work, or returning to Tasmania after time away.

What's involved?

Connect is created with the belief that retaining new and returning Tasmanians is vital to building a successful future for our state.

The program is delivered across one day in Hobart, led by internationally sought after leadership facilitator and futurist Katy Cooper.

The program features inspiring speakers on topics such as our unique brand, how to thrive in Tasmania, as well as economic and labour opportunities.

It will include presentations, engaging dialogue an evening event which will be sure to delight and deepen connections. All with preeminent Tasmanians who can help provide insights and introductions to help you settle quickly and succeed well.

“As a returning Tasmanian, the opportunity to meet fellow ‘newbies’ was invaluable and sharing our stories and experiences has been terrific.”

- Alina Bain, CEO, Launceston Chamber of Commerce, Connect Participant
